

# International Year of Forests

# **FSC UK Photography**

# **Competition**

To mark 2011 International Year of Forests, FSC UK are holding a seasonal photography competition.

**INTERNATIONAL YEAR  
OF FORESTS • 2011**

**Turn over to read how to enter**

# Send us your forest snaps!

We are looking for striking seasonal photographs taken in FSC certified forests or of FSC products.

Your picture could show a woodland scene, the flora and fauna found in an FSC forest or a shot of your favourite FSC product.

You can find your nearest FSC forest at [www.fsc-uk.org/ukforests](http://www.fsc-uk.org/ukforests)

At the end of each season, a panel of judges will draw up a shortlist of the best entries.

Shortlisted photographers will be contacted and the public will then be invited to vote for their favourite images.

Prizes will be awarded each season, with a separate category for under 16s.

FSC UK is a charity dedicated to promoting the responsible management of the world's forests.

By choosing products marked with the FSC logo you can help protect forests for the future.

## How to enter - 3 easy steps!

Step 1 - Find a local FSC certified forest or woodland, or choose your favourite FSC product.

Step 2 - Take some photos in the forest or of your chosen product.

Step 3 - Upload your best photos at [Flickr.com/FSCUK](https://www.flickr.com/photos/FSCUK/) or email [competitions@fsc-uk.org](mailto:competitions@fsc-uk.org)
