- In the coming months a new system will be being rolled out across the County.
- Working with the Nights Away Advisors to enable assessments to re-commence.

Squirrels

- Squirrels is the newest section in the Scout for 4-6 year olds!
- There is no rush to open a new section!
- If you are interested in opening a Squirrel section, there's a checklist to complete with your GSL.

Setanta

- “Setanta” is a yacht, owned and operated by West Lancs Scouts, offering day adventures and sailing training.
- You don’t need any prior experience, just a desire to learn the ropes on this exciting hands-on day out in the Lakes.
- The yacht’s capacity is 5 young people, 1 of your leaders, plus our skipper and assistant. If you bring more young people they will split into sessions. The maximum number per day is 15 young people split across 3 sessions.
- The cost is £70 per day.
